Missed your call. Call me back  
please

I am discussing the meeting we  
had with Priscilla

Call you later

I'm going to dissolve the  
partnership so call me back  
when you can please

You can't sit back and expect a  
paycheck. You can't say you  
front loaded the contract then  
dip out. Besides I did a huge  
part to close the contract, I did  
the entire due diligence and  
put the entire BRIX document  
together. I expected you to do  
work after we got paid, this  
isn't a free ride man. Blancco  
only wants to go forward with  
me for a reason and I don't  
~~know what happened to you~~
